Exclusive modernist property, unique in the area distributed over 827 m2 and cataloged, designed and built by the prestigious architect Enric Sagnier Vilavecchia. This exquisite house, built in 1915, is located on the Avinguda del Tibidabo and is something out of a fairytale. The house is distributed over five floors including the street level which contains the main access to the house, two separate enclosed parking areas totalling 70 m2 and which has the capacity to hold five cars or many motorcycles. The main staircase gives you access to the elevator of the house or enjoy the garden entrance stairs that will also lead you up to the front door. On the main floor you'll find a lobby, three bedrooms and a bathroom. All of which are stunning on their own as you'll find handcrafted marble and stained glass throughout. This floor could be transformed into a wonderful independent apartment for guests or be used as various multipurpose rooms for different uses. On the "noble" floor is the main entrance hall where you'll find the library, reading room, lounge area and game room. There is a grand dining room which showcases a crystal chandelier that is connected to the kitchen. The kitchen has its own separate service area for food preparations. T...
